SUMMER CAMP REGISTRATION BEGINS APRIL 1

Summertime is just around the corner. With it comes the return of the City of Sunrise's popular and affordable **Summer Camp** program.

With 12 camp sites located throughout the City, campers will experience the best in summer recreation - from sports and swimming to arts and crafts. In addition, each camp session features a weekly field trip.

Sunrise also offers two specialty camps: A **Theatre Camp** for kids with a flair for drama, and a **Sports Camp** that focuses on developing athletic ability.

There's also an **Adventurous Beginners Camp** designed for children who will be entering kindergarten this fall.

Full-day camp programs are conducted every weekday from June 16 through August 8 - except Friday, July 4 - from 7:45 a.m. to 6:00 p.m. An afternoon-only option is available to children who are attending summer school.

Full-day Summer Camp is just \$450 for Sunrise residents and \$670 for non-residents. The afternoon-only program is \$425 for residents and \$620 for non-residents. Discounts are provided for multiple children in the same household.

Each camper will receive an official summer camp t-shirt, which must be worn daily. (Extra shirts can be purchased for \$6 each.) Campers must bring their own lunch and snacks each day.

Complete Summer Camp information will be included in the April/May/June issue of **Horizons**, which will be mailed

to residents in mid-March and will be available on the City's Web site, www.sunrisefl.gov, beginning March 24.

NEW REGISTRATION PROCEDURES

Please be aware that Summer Camp registration procedures have changed: This is the first year the City will hold a site-assignment lottery to determine camp placement. Completed registration packets for Sunrise residents and children who attend a school located in the City of Sunrise will be accepted from April 1 through April 28, **by mail only.**

Each applicant will be asked to select three camp sites, in order of preference. All registrations received by April 28 will be entered into a random drawing and assigned a camp location on April 29. Forms received after April 28 will be processed in the order they are received, space permitting. If an applicant's first three choices have reached maximum enrollment before their registration is processed, they will be placed on waiting lists for those sites only and their payment will be returned unless a spot is secured.

The City's Summer Camp program can accommodate a total of 970 children. Walk-in registrations and registration for non-residents will begin on May 12 and conclude when all spaces have been filled.

For more information about Sunrise Summer Camp, please contact the City's Leisure Services Department at (954) 747-4600.
