

SUNRISE WANTS TO KNOW WHAT YOU THINK

Residents: Tell us about your experiences online or via mail.

The City of Sunrise is seeking the input of its residents and customers as part of a new initiative to enhance customer service. Two surveys - designed to gauge satisfaction with the Leisure Services Department and Public Service/ Utilities Billing Division - are now available online and at seven locations throughout the City.

The postcard-size surveys can be filled out at a City facility and dropped into a locked box, or taken home and mailed back to the City free of charge. Customers can also visit our Web site at www.sunrisefl.gov to complete the questionnaire. Survey responses are confidential.

During 2009, the survey program is expected to expand to solicit feedback on all City departments and services.

The Leisure Services surveys are available at:

- Sunrise Civic Center Administrative Office, 10610 West Oakland Park Boulevard, 2nd Floor
- Sunrise Civic Center Athletic Club, 10610 West Oakland Park Boulevard, 1st Floor
- Sunrise Tennis Club, 9605 West Oakland Park Boulevard
- Springtree Golf Course, 8150 Springtree Drive

The Public Service/Utilities Billing surveys are available at:

- Sunrise City Hall, 10770 West Oakland Park Boulevard
- Village Civic Center, 6800 Sunset Strip
- New River Civic Center, 60 Weston Road

IT'S EASY BEING GREEN AT SUNRISE'S FREE EARTH DAY CELEBRATION

In celebration of Earth Day 2009, the City of Sunrise is getting the party started a few days early, hosting a free, all day celebration on Saturday, April 18.

This year's festival will feature food, live music, fitness activities, an art contest, a fashion show, environmental workshops and exhibits - co-sponsored by the City of Sunrise Utilities Department and All Service Refuse.

The celebration will begin at 10:00 a.m. at Sawgrass Sanctuary - a 20-acre park and learning center on North New River Circle, east of Weston Road, near the junction of I-75, I-595 and the Sawgrass Expressway. The first 2,500 people through the gates will receive a reusable shopping bag and a BPA-free water bottle.

Vendors and exhibitors will feature items ranging from reclaimed jewelry and handcrafted home décor to hybrid

cars. Kids will have a hands-on opportunity to learn about how to go green through interactive exhibits and creative projects. In addition, Radio Disney will be on site to provide entertainment, games and free giveaways.

"This event is an excellent way to encourage people to 'think green' and engage in activities to protect the environment," said **Mayor Roger Wishner**.

Organizations participating in Earth Day include CarePlus Health Plans, MWH Global, Ed Morse Automotive Group, IKEA, South Florida Water Management District, Broward County Transit, South Florida Commuter Services, Sawgrass Nature Center and Adopt-A-Street.
