Boulevard. Vendors will line the rotunda with all types of fresh delicacies and specialty items each Saturday from 8:00 a.m. to 12:00 p.m. through April 7.

"I stop by almost every week," said **Commissioner Donald K. Rosen**, a Market Days regular. "It's a great place to buy fresh fruits and vegetables, and interact with your neighbors. I always enjoy meeting residents there."

The sights, sounds and scents of this six-year-old Sunrise tradition reflect a wide variety of vendors selling such items as locally grown fruits and vegetables, fresh baked goods, flowers and herbs. An exciting range of musical entertainment is also offered as part of the City's free "Music at the Market" series.

"The Market Days program has been popular in the community," said **Commissioner Joseph Scuotto**. "It's a nice way to spend some time on a
