MARCH IS FLORIDA BICYCLE MONTH

Did you know that Sunrise is one of only 24 cities in Florida that is designated as a Bicycle Friendly Community by the League of American Bicyclists? During Florida Bicycle Month, we celebrate that riding a bike—just like walking or taking transit—is a comfortable and integral part of daily life in Sunrise for people of all ages and abilities.

Sunrise bikers that enjoy our Hiatus Road Greenway are also encouraged to visit the recently-opened Hiatus Road Trailhead Park at the corner of Hiatus Road and NW 29th Manor. This passive park provides a respite for residents cycling, walking, or jogging nearby. In addition to seating, bike racks and a bike repair station, it also features Sunrise's very first wildflower meadow.

We hope you'll use City bike lanes, visit the bicycle racks and repair stations in many of our parks, and explore Sunrise multipurpose paths and trails all year long!
