Stay Vigilant During Storm Season

Hurricane Season began on June 1st and continues through November 30th.

Don't wait until a storm is announced! Here's how to prepare:

YOUR SUPPLIES

Visit ready.gov/kit to prepare your household to remain self-sufficient. Assemble supplies in portable bins containing at least a three-day supply of water and non-perishable food for every family member and pet. Include essential medicines, a first aid kit, flashlights with extra batteries, and copies of important documents.

YOUR HOME

Protecting your property begins long before a storm. Ensure your insurance is up to date, your shutter hardware is accessible, and your trees are trimmed early in the season. Once a potential storm is approaching, please bring loose objects and patio furniture safely inside and refrain from placing garbage, landscaping, or bulk trash curbside until it has safely passed.

YOUR ALERTS

Sign up now at sunrisefl.gov/alert for our newly-launched emergency notification system, AlertSunrise, which can notify you by phone, email, or text to keep you informed and safe.
